Why Your Donation Matters

Aquia Evening Lions impact our local community through service – financially and physically. We have provided free eye exams and eyeglasses to underprivileged children for more than 35 years. Our Spot screeners have found sight and hearing abnormalities in over 6,000 Stafford County students per year.

We Lions also award three \$1,000 scholarships to graduating seniors. We donate to and work with the type-one diabetes attendees of Kids for a Cure Club Camp. We donate to school nurses to furnish supplies not included in their budgets. We donate food items to Head Start and make up snow bags full of food for the children to take home when inclement weather is forecast. We Lions also sponsor Breakfast with Santa for families of Head Start students to include breakfast, gifts, crafts, Santa visit and goodie bags. We assist the Host Lions with a Special Needs Christmas party for residents of seven local group homes. We support the women's shelter and assist local blind citizens as well as low-vision neighbors.

We do many, many more things for our community. As Lions, WE SERVE!

We are active volunteers, members of a respected international organization, and friends to those in need. The Lions International motto is WE SERVE.

We are a designated 501(c)(3) organization and we are CFC #99070.
