

Dining in the

Fundraiser and Awareness Gala

SPONSORSHIP OPPORTUNITIES

The Aquia Evening Lions have been making a difference in the lives of Virginia residents through service – financially and physically for more than 40 years. We provide free eye exams, eyeglasses and low vision equipment to local residents through just one of our service projects. Our Spot screeners have found sight and hearing abnormalities amongst the over 6,000 Stafford County students examined each year and now you can help support our mission and our exciting annual Gala
